

## POLICY ON FACULTY AND SPONSOR DISCLOSURE

It is the policy of the University of Illinois at Chicago and the University of Wisconsin–Madison Interprofessional Continuing Education Partnership that the authors, presenters, contributing experts and other persons who may influence content of this activity disclose all relevant financial relationships with commercial interests\* in order to allow staff to identify and resolve any potential conflicts of interest. Authors must also disclose any planned discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). For this ending educational activity, all conflicts of interest have been resolved and detailed disclosures are listed below:

### University of Illinois at Chicago

\* The ACCME Standards for Commercial Support defines a **commercial interest** as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interests

## Module Number

- 1 Elder Abuse and Self-Neglect
- 2 Preventing Falls Among Community-Dwelling Older Adults
- 3 The Dying Process
- 4 End of Life: Hospital and Advance Directives
- 5 Palliative Care
- 6 The Process of Aging
- 7 Communication Among Patients and Practitioners: Enhancing Adherence and Safety
- 8 Pain Management of the Older Adult
- 9 Common Acquired Hospital Complications of the Older Adult
- 10 Transitions in Care: Acute Care and the Older Adult
- 11 Sleep Quality of the Older Adult
- 12 The Older Adult with Visual, Hearing, and Cognitive Impairment
- 13 Drug Therapy in Older Adults
- 14 Oral Health and the Older Adult
- 15 Community-Based Interprofessional Home Care of the Older Adult
- 16 Depression and Delirium of the Older Adult
- 17 Community Services for the Older Adult: Access and Payment Systems
- 18 Geriatric Health Promotion and Disease Prevention
- 19 Caregiver Burden
- 20 Medication Management in Older Adults
- 21 Driving Safety of the Older Adult
- 22 Nutrition for the Older Adult
- 23 Dementia
- 24 Changing Global and National Populations and Complex Systems of Care
- 25 Physical Activity and the Older Adult
- 26 Managing Multiple Chronic Conditions: Challenges in the Care of Older Adults
- 27 Chronic Disease Self-Management: Helping People Help Themselves
- 28 Sexuality of the Older Adult
- 29 Urinary Incontinence of the Older Adult
- 30 Movement and Gait Disorders Among Older Adults
- 31 Geriatric Assessment: Essential Skills for Primary Care Providers
- 32 LBTQIA Older Adults
