

POLICY ON FACULTY AND SPONSOR DISCLOSURE

It is the policy of the University of Illinois at that the authors and editors who may influence content of this activity disclose all relevant financial relationships with commercial interests* in order to allow staff to identify and resolve any potential conflicts of interest. Authors must also disclose any planned discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). For these enduring educational activities, all conflicts of interest have been resolved and detailed disclosures are listed below:

University of Illinois at Chicago

* The ACCME Standards for Commercial Support defines a **commercial interest** as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interests

Module Number

1. Elder Abuse and Self-Neglect
2. Preventing Falls Among Community-Dwelling Older Adults
3. The Dying Process
4. End of Life: Hospital and Advance Directives
5. Palliative Care
6. The Process of Aging
7. Communication Among Patients and Practitioners: Enhancing Adherence and Safety
8. Pain Management of the Older Adult
9. Common Acquired Hospital Complications of the Older Adult
10. Transitions in Care: Acute Care and the Older Adult
11. Sleep Quality of the Older Adult
12. Working with the Older Adult with Visual, Hearing, and Cognitive Impairment
13. Drug Therapy in Older Adults
14. Oral Health for the Older Adult
15. Community-Based Interprofessional Home Care of the Older Adult
16. Depression and Delirium of the Older Adult
17. Community Services for the Older Adult: Access and Payment Systems
18. Geriatric Health Promotion and Disease Prevention
19. Caregiver Burden
20. Medication Management in Older Adults
21. Driving Safety of the Older Adult
22. Nutrition for the Older Adult
23. Dementia Including Mild and Major Neurocognitive Disorders (NCD)
25. Optimizing Physical Activity in Older Adults
26. Managing Multiple Chronic Conditions (MCC): Challenges in the Care of Older Adults
27. Sexuality and the Older Adult
