Welcome to ENGAGE-IL Scholars and Leaders in Interprofessional Geriatrics (SLIG) 2023. We will be meeting for an “Orientation” session on Monday, May 15, 5:30-8:30 p.m. virtually via Zoom. **Sessions will also be virtual during the three weeks** of the course, which will run June 27-July 14, 2023. Students are advised to keep their schedules open during weekdays between 9 am and 5 pm from June 27 to July 14, 2023 because the course schedules are based on community partners and faculty availability and are therefore subject to change. Absences will be excused only for health and other serious reasons. After each session, students must complete an evaluation of the session; **completing the evaluations is a SLIG course requirement**. To successfully navigate the SLIG program, it is vital that students read this course syllabus carefully and if anything is unclear, reach out to course administration. The materials for the course are located on the SLIG Blackboard platform.
